Sylvia Henderson is Chief Everything Officer (CEO) of Springboard Training—your springboard to personal and professional development. She is an author, workshop facilitator, speaker, and business woman. She provides people, tools and resources that focus on professionalism and work ethics (employability skills) and leadership.

Sylvia's "real-world" experiences include 30+ years as a corporate trainer, team leader, manager, and association leader practicing the leadership, communication and motivational skills she now presents in her programs. She is a life member of and nationally-certified trainer for the Girl Scouts of the USA. Sylvia also is a professional member of the National Speakers Association (NSA), the American Society for Training and Development (ASTD), and Toastmasters International.

Light refreshments will be served. – Contact Linda Tompkins (301) 458-4533
